F. Others

- 1. Counseling & Guidance:** Counseling sessions on carrier guidance are held on regular basis for the students community irrespective of their economic position. This is done for helping students to choose a demanding carrier option at the right time.
- 2. Others:** KEI also helps in exceptional cases (deserving & meritorious) students by providing them financial assistance for hostel fee, attending interviews outside the state, Visa fee etc through our "Support the scholar "programme. Finances for such cases are raised separately for a particular student as per his/her need & requirement.
